Grew up in a small town
And when the rain would fall down
Am
    G
                 F
I'd just stare out my window
Am
               G
Dreaming of what could be
And if I'd end up happy
Am G
       F
I would pray
             G
Trying hard to reach out
But when I tried to speak out
Am G
Felt like no one could hear me
Am G
Wanted to belong here
                    E
But something felt so wrong here
Am G F
So I'd pray
             DF
                    G
Am
       G
I could break away
(chorus)
                            G
I'll spread my wings and I'll learn how to fly.
I'll do what it takes till I touch the sky.
Make a wish, take a chance,
                 Am G F
Make a change, and break away.
Out of the darkness and into the sun.
                        F
But I won't forget all the ones that I love.
I'll take a risk, take a chance,
                  Am
                      GF
Make a change, and break away
(intro 2x)
