

Kelly Clarkson - ??lighthouse

tom:
Gb (forma dos acordes no tom de F)
Capostrate na 1ª casa

[Primeira Parte]

F
I need a do-over, how did we end up this way?
Dm
I'm so confused, lover, did I mistake love and pain?
C
Ain't got no shine left, I couldn't hide it
Bb
I almost lost all my light, and
F
I didn't choose sober, but my eyes can't look away
Dm
I see our true colors, lately, we've been lookin' gray
C
I can't turn back now 'cause you'd take me back down
Bb
That road that always seems to come right back around

[Pré-Refrão]

Gm **Dm**
Remember when we had dreams to fly away?
Bb **C**
But that was then, and now our story's just a page

[Refrão]

F
Like a wave, you're always crashin' into me, crashin' into me
Dm
And these days are harder than they used to be, and they used to be
C
No shootin' stars can fix what we aren't
Bb
What good's a lighthouse when the light is burning out?

[Segunda Parte]

F
It's such a shame when your wants and needs, they don't align
Dm
Which road to take? 'Cause your hand's no longer holdin' mine
C
I guess that's life and sometimes you fight and
Bb

Sometimes you walk away in order to survive

[Pré-Refrão]

Gm **Dm**
Remember when there was nowhere to throw blame?
Bb **C**
But that was then, and now it's when you use my name

[Refrão]

F
Like a chill in my bones when you say to me what you say to me
Dm
I thought I found home, but hidden underneath, we were crumblin'
C
No shootin' stars can fix what we aren't
Bb
What good's a lighthouse when the light is burning out?

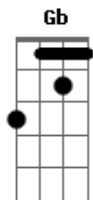

[Ponte]

Gm
And I feel what we were washing over me (I feel)
Dm
Questioning everything all the time
F
And I keep all the ways that you wanted me (I keep)
C
To be different fresh in my mind (Fresh in my mind)
Gm
What you loved, what you wanted, what you held (Ooh)
Dm
So high when we first met in hindsight
F **C**
Were the things that you tried and asked me to change? As if I could do that

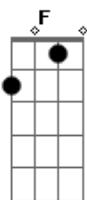

[Refrão]

F
Like a wave, you're always crashin' into me, crashin' into me
Dm
And these days are harder than they used to be, and they used to be
C
No shootin' stars can fix what we aren't
Bb
What good's a lighthouse when the light is burning out?
