Kelly Clarkson - Low

Tom: A
Intro: A E A E

A   E
Everybody's talking
A   E
But they don't say a thing
A   E
They look at me with sad eyes
A   E
But I don't want the sympathy
A   E
Its cool you didn't want me
           A   E
Sometimes you can't go back
      A   E   A
But why'd you have to go and make a mess like that
    A   B   Dbm
Well I just have to say
      B   A
Before I let go

Refrão:
D   A
Have you ever been low?
D   A   E   D
Have you ever had a friend that let you down so?
                   A
When the truth came out
D   A
Were you the last to know?
D
Were you left out in the cold?
                   E
What you did was low

A   E
No I don't need your number
A   E
There's nothing left to say
A   E   B   Dbm
Except I never thought it'd hurt this much to be saved
F
My friends are outside waiting

B
I've gotta go

D   A
Have you ever been low?
D   A   E   D
Have you ever had a friend that let you down so?
                    A
When the truth came out
D   A
Were you the last to know?
D
Were you left out in the cold?
                    E
What you did was low
                    A E
What you did was low (low)
                    A E
What you did was low (low)
                    A E
What you did was low (low)

Dbm   E
I walk out of this darkness
With no sense of regret
      A
And I go with a clear conscience
       Dbm
We both know that you can't say that
           Gb
Here's to show
                          A
For all the time I loved you so?
     B Dbm A
So...
Repete Refrão 2x
