

Kelly Clarkson - Sober

Tom: D

(intro) D A D

And I don't know
This could break my heart or save me
Nothing's real
Until you let go completely
So here I go with all my thoughts I've been saving
So here I go with all my fears weighing on me

(chorus)
Bm Three months and I'm still sober
D A Picked all my weeds but kept the flowers

(verse 2)

And I don't know
I could crash and burn but maybe

At the end of this road I might catch a glimpse of me

(chorus 2)
Bm Three months and I'm still breathing
Bm A G Been a long road since those hands I left my tears in but I know
A Bm G It's never really over, no
