

Kelly Clarkson - Standing In Front Of You

Tom: C

C
You say it's easier
Em
Alone and undisturbed
F
You said yes and danced before
G
And got your feelings hurt
C
You say most days your good
Em
It's not so bad this room
F
Watching the rain today
G
Even though it's clear and sunny
Em G
And you fight it so hard
Em G
How to tell if it's real or not

C
Take a breath and listen (listen)
Em
Open up stop wishin' (wishin')
F
All that you've been missin' (missin')
G
Standing in front of you
C
Everything you're fearin' (fearin')
Em
All the walls are buildin' (buildin')
F
Take a chance you're reason (reason)
G
Standing in front of you
C
Standing in front of you
Em
Standing in front of you
F G
Standing in front of you

C
You start to sway again
Em
Feelin' good in your skin
F
You start to remember when
G
You didn't have to try
C
And then the glitter turns to dust
Em F
The color fades enough to make out pictures of a fire
G

That burns like love
Em G
You can close your eyes don't worry
Em G
I'll still be here in the morning

C
Take a breath and listen (listen)
Em
Open up stop wishin' (wishin')
F
All that you've been missin' (missin')
G
Standing in front of you
C
Everything you're fearin' (fearin')
Em
All the walls are buildin' (buildin')
F
Take a chance you're reason (reason)
G
Standing in front of you
C
Standing in front of you
Em
Standing in front of you
F G
Standing in front of you

Am
And they wont break us
C
And they can't get through
G
Cause I'm gunna be here
D
Standing in front of you

C
