Oooh oooh, ooooh yeah, mmmm...

Love can be a many splendored thing Can't deny the joy it brings A dozen roses, diamond rings Dreams for sale and fairy tales It'll make you hear a symphony And you just want the world to see But like a drug that makes you blind, It'll fool ya every time

The trouble with love is It can tear you up inside Make your heart believe a lie It's stronger than your pride The trouble with love is It doesn't care how fast you fall And you can't refuse the call See, you got no say at all

Now I was once a fool, it's true I played the game by all the rules But now my world's a deeper blue

## Acordes

I'm sadder, but I'm wiser too
I swore I'd never love again
I swore my heart would never mend
Said love wasn't worth the pain
But then I hear it call my name
(The trouble with) The trouble with love is
It can tear you up inside
Make your heart believe a lie
It's stronger than your pride
The trouble with love is
It doesn't care how fast you fall
And you can't refuse the call
See, you got no say at all

Every time I turn around I think I've got it all figured out My heart keeps callin' and I keep on fallin' Over and over again The sad story always ends the same Me standin' in the pourin' rain It seems no matter what I do It tears my heart in two

(The trouble with love is) The trouble with love, yeah (It can tear you up inside) It can tear you up inside (Make your heart believe a lie) Make your heart believe a lie It's stronger than your pride

(The trouble with love is) It's in your heart It's in your soul (doesn't care how fast you fall) You won't get no control (and you can't refuse the call) See, you got no say at all

(The trouble with love is) Oh, yeah (It can tear you up inside) (Make your heart believe a lie)
