

Kelly Clarkson - Where Is Your Heart?

Tom: F

Intro: C Bb F C (2x)

I don't believe

In the smile that you leave me with

When you walk away and say goodbye
Well I don't expect

The world to implode beneath me but for God's sake could you
try

I know that you're true to me

You're always there, you say you care

I know that you wanna be mine

Refrão:

Where is your heart

Cause I don't really feel you

Where is your heart

What I really want is to believe you

Is it so hard to give me what I need

I want your heart to bleed

And that's all I'm asking for

Where is your heart?

I don't understand

Your love is so cold

It's always me who's reaching out for your hand

I always dreamed

That love would be effortless

Like a petal falling to the ground

A dreamer following his dream

Repete Refrão

It seems so much is left inside

But you can say anything

Oh anytime you need

Baby it's just you and me

I know that you're true to me

You're always there, you say you care

I know that you wanna be mine

Repete Refrão 2x

Where Is Your Heart?

Where Is Your Heart?

Where Is Your Heart?
