

Kelly Patrícia - Divina Mestra

Tom: A
Intro: . A7 D7

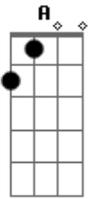

Ó eterna beleza suave, canção dos anjos
Sorriso pleno de graças do Senhor
Neste canto me afogo em teus braços
Qual menino no teu seio, eu quero repousar
Pra sempre, me acolhe nesse abraço eterno

Divina mestra, minha rainha, minha mãe! (2x)
Solo: Dbm D7 (3x) E
Tua imagem carrego comigo, qual desejo, qual afago
Do infinito amor, que repousou no teu querer
Teu menino, teu filho, teu amor
Imaculada, minha rainha, minha mãe!
