

Kelly Patrícia - Formosa e Bela

tom:

A

Dans la nuit j'ai cherché

Celui que mon coeur aime

Dans mon jardin aride

Il a fait son domaine

De perles de rosée

Il a couvert ma tête

Mon âme est toute belle

Mon Bien-Aime m'appelle

Viens, ma toute belle

Viens dans mon jardin

L'hiver s'en est allé

Et les vignes en fleurs

Exhalent leurs parfums

Viens dans mon jardin

Na Noite escura eu busco

A quem minh'alma ama

No meu jardim tão árido

Fez Sua morada

De pétalas de rosas

Cobriu minha cabeça

Minh'alma é toda bela

Meu bem Amado chama

Vem Formosa e Bela!

Vem ao meu jardim!

O inverno já passou

E as vinhas em flor

Exalam seus perfumes

Vem ao meu jardim

Meu bem Amado espero

Passou pelos outeiros

Os frutos floresceram

Minh'alma é toda bela

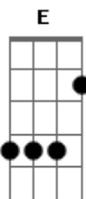

Espero sua vontade

A porta há de se abrir

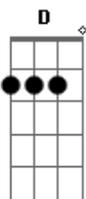

Os pássaros cantando

Meu bem Amado espera
