

Kelsea Ballerini - Doin' My Best

tom:
 Gbm E
 2020 Was a weird year
 E Album dropped at a weird time
 D Ain't the homecoming queen but better believe I cried
 Gbm E And therapy for one turned
 E Into therapy for two
 D When you get married that young
 you got a lotta shit you gotta get through
 Gbm E
 If I said I had it all together, I'd be lyin'
 D But I'll die tryin'
 Gbm E
 I'm doin' my best
 D I'm lettin' the rest roll off my shoulders, baby
 Gbm E Don't always get it right
 E Hey, and that's alright
 D That's what I'm learnin' lately, I keep
 E Growin' up, I keep
 E Rollin' up my sleeves and I think
 D That showin' up is good enough for me
 Gbm E
 I was friends with a pop star
 E I put 'em on track four, but
 D Wish I could take it back, I would've nev'r asked
 D If I knew we wouldn't talk anymore?
 Gbm E Sometimes I try to say the right thing
 E And it comes out wrong
 D And Twitter kicked my ass
 now it's one less app on my iPhone, yeah
 Gbm E
