

Kelsea Ballerini - First Rodeo

tom:
G

I like the feeling runnin' with the wind
That's why I went and did what I did

He and I both had our guns to sling
Damn, that showdown was embarrassing

Now I got a couple rips in my jeans
And I'm still here brushing off a couple things

It doesn't scare or bother you, at least it seems
I just want to tell you 'fore I get back in the ring

I rode off into the sunset
The red dust hadn't been kicked up yet

Thought I knew all of the ropes
Thought I could ride like a pro

Never knew I'd have a round two
I fell off, babe, but I found you

Take my heart, but take it slow
'Cause this ain't my first rodeo

Let 'em run, baby, don't you hold your horses back
Love's the wild, wild west, ain't gotta tell me that

But when you put your arms around me, I don't mind
You make me forget about the last time I

I rode off into the sunset
The red dust hadn't been kicked up yet

Thought I knew all of the ropes
Thought I could ride like a pro

Never knew I'd have a round two
I fell off, babe, but I found you

Take my heart, but take it slow
'Cause this ain't my first rodeo

High up in the saddle, we're flying
Lay me down under amber stars shinin'

Tell me that it's gonna be alright
Even though we never know

If we're gonna make it out alive
But when it comes to me and you, I can't not try

Ain't it crazy, baby, how I'd never know you
If I never rode

Off into the sunset
Hmm-mmm

Off into the sunset

I rode off into the sunset
The red dust hadn't been kicked up yet

Thought I knew all of the ropes
Thought I could ride like a pro

Never knew I'd have a round two
I fell off, babe, but I found you

Take my heart, but take it slow
'Cause this ain't my first rodeo

(This ain't my first rodeo)

Don't let me go, take it slow
Baby, don't let me go, take it slow

Rodeo

Don't let me go, take it slow
Baby, don't let me go, take it slow

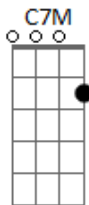

Rodeo

Don't let me go, take it slow
Baby, don't let me go, take it slow

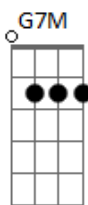

Rodeo

Don't let me go, take it slow
