

Kelsea Ballerini - First Rodeo

tom:
G

I like the feeling runnin' with the wind
Am C
That's why I went and did what I did
G
He and I both had our guns to sling
G
Damn, that showdown was embarrassing

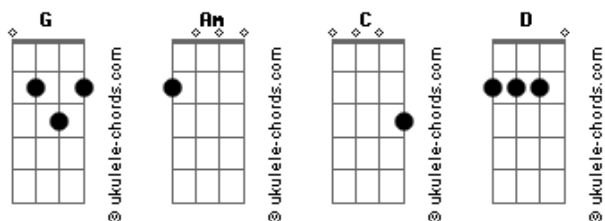

Now I got a couple rips in my jeans
Am C
And I'm still here brushing off a couple things
Am G
It doesn't scare or bother you, at least it seems
G
I just want to tell you 'fore I get back in the ring

I rode off into the sunset
C
The red dust hadn't been kicked up yet
G
Thought I knew all of the ropes
G
Thought I could ride like a pro
Am C
Never knew I'd have a round two
Am
I fell off, babe, but I found you
G
Take my heart, but take it slow
G
'Cause this ain't my first rodeo

Let 'em run, baby, don't you hold your horses back
C
Love's the wild, wild west, ain't gotta tell me that
G
But when you put your arms around me, I don't mind
G
You make me forget about the last time I

I rode off into the sunset
C
The red dust hadn't been kicked up yet
G
Thought I knew all of the ropes
G
Thought I could ride like a pro
Am C
Never knew I'd have a round two
Am
I fell off, babe, but I found you
G
Take my heart, but take it slow
G
'Cause this ain't my first rodeo

Acordes

High up in the saddle, we're flying
C
Lay me down under amber stars shinin'
G
Tell me that it's gonna be alright
Am
Even though we never know
C
If we're gonna make it out alive
Am
But when it comes to me and you, I can't not try
G
Ain't it crazy, baby, how I'd never know you
G
If I never rode
C
Off into the sunset
C
Hmm-mmm
G
Off into the sunset

I rode off into the sunset
C
The red dust hadn't been kicked up yet
