

Kelsea Ballerini - Penthouse

tom:
F
We moved to a place with a view off of
C Am
Eight avenue after we said I do
F Bb
And we watched cars of bachelorettes
C F
2Am cigarettes, and traffic headed downtown
Bb C
And the interstate was so loud
F
There was a lot it had to drown out
Bb F
We played the part five nights
Dm7 C
But we were never there on the weekends, baby
Bb F Dm7 C
We got along real nice, but when I left town, did you hate me?
Bb F
One day, the curtain started coming down
Dm7 C
I changed the second we were moving out
Bb F
I guess wrong can look alright
Dm7 C Bb F Dm C
When you're playing home in a penthouse, baby
F Bb
I bought the house with a fence
C Am
Enough room for some kids, a backyard for dibs
F Bb
And I thought that would make it all better
C F
And maybe forever wouldn't feel like the walls closing in
Bb C
'Cause how does that even make sense?
F
Now that I think about it, it never did
Bb F
We played the part five nights
Dm C
But we were never there on the weekends, baby
