

Kelsea Ballerini - Penthouse

tom:

F

F Bb

We moved to a place with a view off of

Eight avenue after we said I do

And we watched cars of bachelorettes

2Am cigarettes, and traffic headed downtown

And the interstate was so loud

There was a lot it had to drown out

We played the part five nights

But we were never there on the weekends, baby

We got along real nice, but when I left town, did you hate me?

One day, the curtain started coming down

I changed the second we were moving out

I guess wrong can look alright

When you're playing home in a penthouse, baby

I bought the houe with a fence

Enough room for some kids, a backyard for dibs

And I thought that would make it all better

And maybe forever wouldn't feel like the walls closing in

'Cause how does that even make sense?

Now that I think about it, it never did

We played the part five nights

But we were never there on the weekends, baby
