

# Kelsea Ballerini - Subject To Change

tom:  
 Seasons do it  
 And it happens when the night goes day  
 We're going through it, I knew it  
 The right and the hard thing are sometimes the same  
 Thank God, he broke my heart in my hometown  
 Thank God, mama wanted to move  
 Thank God, I got a strong gut feeling  
 Leading me to somewhere new  
 I'm sub\_\_ject to going from zero to  
 Feeling ob\_\_sessed  
 To happy and laughing  
 Then being up\_\_set, but if one thing's the sam?  
 It's that I'm subject to change, yeah  
 I gu?ss, haven't decided  
 If I'm gonna stay bru\_\_nette  
 A little unpredictable  
 I con\_\_fess that if one thing's the same  
 It's that I'm subject to change, yeah  
 Yeah, yeah, yeah  
 Yeah, yeah, yeah  
 If I'm honest  
 Growing up, it kind of hurts like hell  
 It's chaotic, ironic, but  
 It's how I learn to find myself, yeah  
 Thank God, I don't know about tomorrow  
 Thank God, I take it day by day  
 Oh, I don't think about the chapters

It's all about turning the page  
 I'm sub\_\_ject to going from zero to  
 Feeling ob\_\_sessed  
 To happy and laughing  
 Then being up\_\_set, but if one thing's the sam?  
 It's that I'm subject to change, yeah  
 I gu?ss, haven't decided  
 If I'm gonna stay bru\_\_nette  
 A little unpredictable  
 I con\_\_fess that if one thing's the same  
 It's that I'm subject to change  
 My mind  
 I'll change my mind, I'll change my mind  
 And that's alright  
 Yeah, that's alright, and that's alright  
 I'm sub\_\_ject to going from zero to  
 Feeling ob\_\_sessed  
 To happy and laughing  
 Then being up\_\_set, but if one thing's the sam?  
 It's that I'm subject to change, yeah  
 I gu?ss, haven't decided  
 If I'm gonna stay bru\_\_nette  
 A little unpredictable  
 I con\_\_fess that if one thing's the same  
 It's that I'm subject to change  
 My mind  
 I'll change my mind, I'll change my mind  
 And that's alright  
 Yeah, that's alright, and that's alright  
 Yeah, yeah, yeah  
 Oh, yeah, yeah, yeah-yeah
