

# Kelsea Ballerini - This Time Last Year

tom:  
E  
This time, last year, right around the holidays  
A  
There were messes in my mind  
I was learnin' all the harder ways  
E  
Livin' it down, and drinkin' a lot  
But hittin' the town didn't hit the spot  
A  
But, oh, how the tides change, in 3-65 days  
E  
I gave hell a piece of my mind  
It gave me a hit to my pride  
A  
But I came out on the other side  
The devil said, "Hi"  
But baby, baby, look at me now  
E  
I lost a couple good friends  
Untied a couple loose ends  
A  
It's all part of sheddin' old skin  
And startin' again  
E  
But baby, baby, look at me now  
A  
But baby, baby, look at me now  
It's kind of got me thinkin' 'bout  
E  
This time, last year, the heartbreak was undeniable  
A  
But day by day, I became unrecognizable  
E  
Makin' my rounds, shootin' my shot  
Standin' my ground, pissin' people off  
A  
Oh, how the ride's changed in 3-65 days  
A  
Mm  
E  
I gave hell a piece of my mind  
It gave me a hit to my pride  
A  
But I came out on the other side  
The devil said, "Hi"  
But baby, baby, look at me now  
E
