I've been thinkin' you've been thinkin' 'bout something else
A2
Yeah, we felt perfect, now I'm nervous, can you even tell?
A2
Did I wake you up on the wrong side of the bed?
B
Is there someone's body that you'd rather be laying with instead?

A2
I'm so tired of your weather
Stormy when we're together
B
Yeah, we used to be sunny and seventy-five
We w?re dancing, baby, rain or shine
A2
Had my dress in your dr?sser
Now somehow, I need a sweater
B
How'd we go from summer to cold as ice?
Are we really lovers if you're changing your mind
A2
Like the weather? (Weather)
B
Uh-huh, oh

A2
Get in or get out
But honestly, right now, you're killin' my vibe
B
Killin' it, killin' it, killin' it
Killin' it, killin' it, killin' it
A2
So, if you wanna stay stuck in the clouds
B
Keep 'em around but not in my sky

When it hits the fan, I don't know who you're gonna be
B
I'm not asking for much, just a little reliability

A2
I'm so tired of your weather
Stormy when we're together
B
Yeah, we used to be sunny and seventy-five
We w?re dancing, baby, rain or shine

Baby, talk to me
Tell me what you need
B
Don't leave me hanging anymore
