

Kelvin do Acordeom - Tiraram Meu Sossego

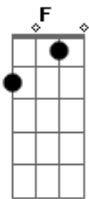

Tom: F

Intro: Dm Gm Dm A7 Dm D7 Gm Dm A7 Dm Gbm D7

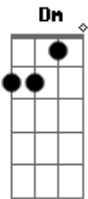

Tiraram meu sossego, desarmaram minha rede
 Riscaram a fotografia pendurada na parede
 Desferraram minha cama, e levaram o travesseiro

Sujaram a toalha de banho e desligaram meu chuveiro
 E pra completar tiraram você de mim
 Já não sei mais o que fazer
 Não posso mais viver assim
