It's a secret society
Am7

All we ask is trust

All we got is us

Loyalty, loyalty, loyalty
Am7

Loyalty, loyalty, loyalty

F7M
Kung Fu Kenny now
Em7

My resume is real enough for two millenniums

A better way to make a wave, stop defendin' them
Am7

I meditate and moderate all of my wins again

I'm hangin' on the fence again
F7M

I'm always on your mind
Em7

I put my lyric and my lifeline on the line
Am7

And ain't no limit when I might shine, might grind

You rollin' with it at the right time, right now

(Only for the dollar sign)

F7M
Bad gyal RiRi now
Em7

Swerve, swerve, swerve, swerve, deeper now
Am7

On your pulse like a CD in

Gas in the bitch like it's premium

Haul ass on a bitch all in the fast lane
Em7

Been a bad bitch way before any cash came

I'm established
Am7

Hundred carats on my name

Run the atlas, I'm a natural, I'm alright

F7M

Em7

Shimmy-yeah, shimmy-yeah, shimmy-yeah, rock (yeah)
Am7

You can tell your nigga he can meet me outside (yeah)

You can babysit him when I leave him outside
F7M

Ain't no other love like the one I know
Em7

Am7

Loyalty, loyalty, loyalty

Am7
Loyalty, loyalty, loyalty

F7M
10-4, no switchin' sides
Em7

Feel somethin' wrong

Am7
You actin' shifty, you don't ride

With me no more, I need

F7M Em7
Loyalty, loyalty, loyalty

Am7
Loyalty, loyalty, loyalty

F7M Em7
Tell me who you loyal to

Is it money? it is fame? Is it weed? Is it drink?

Am7
Is it comin' down with the loud pipes and the rain?

Big chillin', only for the power in your name

F7M Em7
Tell me who you loyal to

Is it love for the streets when the lights get dark?

Am7
Is it unconditional when the 'Rari don't start?

Tell me when your loyalty is comin' from the heart

F7M Em7
Tell me who you loyal to

Do it start with your woman or your man? (Mmm)

Am7
Do it end with your family and friends? (Mmm)

Or you're loyal to yourself in advance?

F7M Em7
I said, tell me who you loyal to

Is it anybody that you would lie for?

Am7
Anybody you would slide for?

Anybody you would die for?

That's what God's for

F7M Em7
I said I'm geeked and I'm fired up (fired, fire)
Am7

All I want tonight is just to get high up

(All I want is, all I want is)

F7M Em7
Loyalty, loyalty, loyalty

Am7
Loyalty, loyalty, loyalty

F7M
10-4, no switchin' sides
Em7

Feel somethin' wrong

Am7
You actin' shifty, you don't ride

With me no more, I need
Loyalty, loyalty, loyalty
Loyalty, loyalty, loyalty
(F7M Em7)

It's so hard to be humble
It's so hard to be
Lord knows is I'm tryin'
Lord knows is I'm dyin', baby
