

Kendrick Lamar - LOYALTY. (feat. Rihanna)

Tom: F

(F Em Am)

I said I'm ^Fgeeked and I'm ^{Em}fired up (fired, fire)

All I want tonight ^{Am}is just to get high up

Girl, you look so ^Fgood, it's to die for ^{Em}(die for)

Ooh, that pussy ^{Am}good, it's to die for (on fire)

It's a ^Fsecret society ^{Em}

All we ask is trust ^{Am}

All we got is us

Loyalty, loyalty, ^Floyalty ^{Em}

Loyalty, loyalty, ^{Am}loyalty

^FKung Fu Kenny now

My resume ^{Em}is real enough for two millenniums

A better way to make a ^{Am}wave, stop defendin' them

I meditate and moderate all of my wins again

I'm hangin' on the fence again

I'm ^Falways on your mind

I put my lyric and my lifeline ^{Em}on the line

And ain't no limit when I ^{Am}might shine, might grind

You rollin' with it at the right time, right now

(Only for the dollar sign)

^FBad gyal RiRi now

^{Em}Swerve, swerve, swerve, swerve, deeper now

On your pulse ^{Am}like a CD in

Gas in the bitch like it's premium

Haul ass on a bitch ^Fall in the fast lane

Been a bad bitch way before any cash came ^{Em}

I'm established

^{Am}Hundred carats on my name

Run the atlas, I'm a natural, I'm alright

I'm a ^Fsavage, I'm a asshole, I'm a king

^{Em}Shimmy-yeah, shimmy-yeah, shimmy-yeah, rock (yeah)

You can tell your nigga he can meet me outside (yeah) ^{Am}

You can babysit him when I leave him outside

Ain't no other love like the one I know ^F

^{Em}I done been down so long I slowed

^{Am}I done came down so hard I slowed

I don't sleep forever, all a real nigga want

I said I'm ^Fgeeked and I'm ^{Em}fired up (fired, fire)

All I want tonight ^{Am}is just to get high up (yeah)

(All I want is, all I want is)

Loyalty, loyalty, ^Floyalty ^{Em}

Loyalty, loyalty, ^{Am}loyalty

10-4, no switchin' ^Fsides

Feel somethin' ^{Em}wrong

You actin' shifty, you don't ^{Am}ride

With me no more, I need

Loyalty, loyalty, ^Floyalty ^{Em}

Loyalty, loyalty, ^{Am}loyalty

^FTell me who you loyal to ^{Em}

Is it money? it is fame? Is it weed? Is it drink?

^{Am}Is it comin' down with the loud pipes and the rain?

Big chillin', only for the power in your name

^FTell me who you loyal to ^{Em}

Is it love for the streets when the lights get dark?

^{Am}Is it unconditional when the 'Rari don't start?

Tell me when your loyalty is comin' from the heart

^FTell me who you loyal to ^{Em}

Do it start with your woman or your man? (Mmm)

^{Am}Do it end with your family and friends? (Mmm)

Or you're loyal to yourself in advance?

^FI said, tell me who you loyal to ^{Em}

Is it anybody that you would lie for?

^{Am}Anybody you would slide for?

Anybody you would die for?

That's what God's for

I said I'm ^Fgeeked and I'm ^{Em}fired up (fired, fire)

All I want tonight ^{Am}is just to get high up

(All I want is, all I want is)

Loyalty, loyalty, ^Floyalty ^{Em}

Loyalty, loyalty, ^{Am}loyalty

10-4, no switchin' ^Fsides

^{Em}Feel somethin' wrong

^{Am}You actin' shifty, you don't ride

With me no more, I need
Loyalty, loyalty, loyalty
Loyalty, loyalty, loyalty
(F Em)

It's so hard to be humble
It's so hard to be
Lord knows is I'm tryin'
Lord knows is I'm dyin', baby

Acordes
