From everyone I need a place to stay
Where I can cover up my face
Don't cry, I am just a fish

[Refrão]

I am just a fish
I am just a fish
I am just a fish

(A Gbm A Gbm)

My mouth is filled with hooks I bite
Black holes cover up my eyes
I dream of you almost every night
Hopefully I'll swim away this time

[Refrão]

I'll swim away this time
I'll swim away this time
I'll swim away this time
