

Kenny Rogers - Don't Fall In Love With a Dreamer

Tom: G

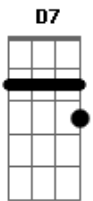

G D7 Em G C
Just look at you sitting there
G C G
You never looked better than tonight
D7 Em G C
And it'd be so easy to tell you I'd stay
Am C D7
Like I've done so many times
G D7 Em D7 C
I was so sure this would be the night
Am C D7 G
You'd close the door and want to stay with me
D7 Em D7 C
And it'd be so easy to tell you I'd stay
Am C D7
Like I've done so many times
C D7
Don't fall in love with a dreamer
Bm Em
Because he'll always take you in
Am C D7

Just when you think you've really changed him
G Bm
He'll leave you again
G C D7
Don't fall in love with a dreamer
G Bm Em G
Because he'll break you every time
C D7 G
So put out the light and just hold on
C D7 G
Before we say goodbye
D7 Em
Now it's morning and the phone rings
D7 C
And ya say you gotta get your things together
G D7 G
You just gotta leave before you change your mind
D7 Em D7 C
And if you knew what I was thinking girl I'd turn around
G Am C Em D7
If you'd just ask me one more time
D7 G
Before we say goodbye
