

# Kerli - Chemical

Tom: C

F Am G  
Open up my eyes and feel your heart beat  
F Am G  
As we lay with your body pressed against mine  
F Am G  
And know and know this very moment  
F Am G  
This will be this will be till the end of time  
Em F  
I want you to know

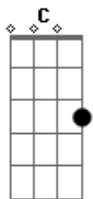

Am G  
This love is more than chemical  
Em F  
It feels unusual  
Am G Em  
And I can't get enough no-o-o  
F Am G  
This love is more than chemical  
Em F  
And we're unbreakable  
Am G  
Will be forever more  
F  
More than chemical

(Dm Am G )

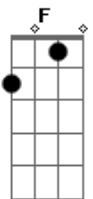

F Am G  
Everytime the darkness fall around me  
F Am G  
I can feel you move beneath my skin  
F Am G  
And something strange is happening inside me  
F Am G  
Don't know where you ending I begin  
Em F  
I want you to know

Am G  
This love is more than chemical  
Em F  
It feels unusual  
Am G Em  
And I can't get enough no-o-o  
F Am G  
This love is more than chemical  
Em F  
And we're unbreakable  
Am G  
Will be forever more  
F Am G  
More than chemical  
Em F Am G  
More than chemical
