Tom: **E**

[Primeira Parte]

**E**  
Your eyes follow like a spotlight **G**  
**E**  
Two eyes like the sun **G**  
**E**  
Go ahead, keep your distance from me **G**  
**E**  
Soon you're gonna come **G**  
**E**  
When you flick your hair like you don't care **G**  
**E**  
And you're asking where I'm from **G**  
**E**  
That game that you're running, baby **G**  
**E**  
You've already won **G**

[Pré-Refrão]

**E**  
I need to know, know, know **G**  
What do you need, need, need? **A**  
What do you like, like, like? **E**  
Cause I'm gonna be it tonight

[Refrão]

**E**  
You can be cool, you can be shy **G**  
Say what you want, say what you like **A**  
Cause ooh, your body talks, your body talks **E**  
Ooh-ooh, your body talks **E**  
You can pretend you don't want it now **G**  
But I read the signs from your head to your toes **A**  
Yeah, you don't need to say a word cause **E**  
Ooh, ooh your body talks

[Segunda Parte]

**E**  
Your lips are a conversation **G**  
**E**  
That face is a song **G**  
**E**  
If it's my imagination **G**  
**E**  
Stop me if I'm wrong **G**

[Pré-Refrão]

**E**  
I need to know, know, know **G**
