

Ke\$ha - Supernatural

Tom: E

Baby when we're touching in the dark, can you feel it?
 I can hear the pounding of my heart, can you feel it?
 When you take my body to the stars, I believe it
 Boy this love is supernatural, can you feel it?

Come, take me by the hand
 Wanna cross the line, baby go ahead
 Till the morning light, watch my silhouette
 'Cause you know tonight, we're gonna wake the dead

Get a little bit wrong, get a little bit wild
 Get a little bit high off of this love tonight
 Get a little bit raw, come a little undone
 Get a little bit reckless, I can't get enough

Baby when we're touching in the dark, can you feel it?
 I can hear the pounding of my heart, can you feel it?
 When you take my body to the stars, I believe it
 Boy this love is supernatural, can you feel it?

Come, take me in the night

I feel it in my blood, want the darker side
 Baby when we touch, look me in the eyes
 Poison me with love, I'll bring you back to life

Get a little bit wrong, get a little bit wild
 Get a little bit high off of this love tonight
 Get a little bit raw, come a little undone
 Get a little bit reckless, I can't get enough

Baby when we're touching in the dark, can you feel it?
 I can hear the pounding of my heart, can you feel it?
 When you take my body to the stars, I believe it
 Boy this love is supernatural, can you feel it?

Boy this love is--

Baby when we're touching in the dark
 I can hear the pounding of my heart

Baby when we're touching in the dark, can you feel it?
 I can hear the pounding of my heart, can you feel it?
 When you take my body to the stars, I believe it
 Boy this love is supernatural, can you feel it?
