You were inside me just last night F7M  
Now I'm in my bed in Illinois just trying to get high C Am  
Off the thought of your head C7M  
Laying gently next to mine Cmaj11  
If I could pick your brain Am C  
For just a minute more Am  
I would ask you if you cry as much as me F7M Am  
When I'm alone C  
I've been picking at my nails C7M  
Like I did when I was young Cmaj11  
And listening to Phoebe Am C  
While I'm laying on the floor Am F7M C7M  
Trying not to ask you if you like me anymore

[Segunda Parte]

(0oh) C C7M  
I sent you a filthy text last night C F7M  
And spent my morning wondering why I'm such a liar C Am  
I touched myself but it didn't feel right C7M Cmaj11
