

Kevin Morby - Beautiful Stranger

tom:
E

E
If you ever hear that thunder
Put your eye to the sky, boy, and wonder

A
Maybe there's a kingdom above the weather

E
Oh, and whether you're gonna get on in is up to him

E
If you ever hear that crying

In the distance like some siren

A
Maybe there's a singer with no ring

E
Around their little finger, no love

Gbm
And If I lose my voice

A E
If I have no choice but to go quiet

Gbm A E
Won't you sing for me a melody into the night there

Gbm A
Well, if I die too young, if the wolf he comes

E
Fee-fi-fo-fum

Gbm A
If I die too young, oh, if the locust come

E
Well then, run, run, run

Free

E
If you ever hear that gunshot
You may think 'bout what you do but you don't got

A E
Say a prayer, think of mother, I am a rock

E
If you ever hear that sound now
If the door gets kicked in here, they come now

A
Think of others, be their cover

E
I am what they're not

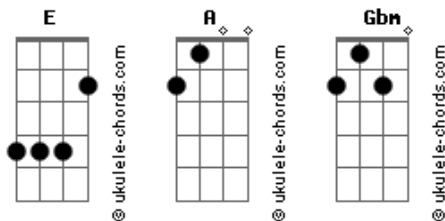

Gbm
Pray for Paris

A
They cannot scare us

E
Or stop the music

Gbm
You got a sweet voice, child

Acordes

A E
Why don't you use it?

Gbm A E
If I die too young, if the gunmen come, I'm full of love

Gbm A E
So release me, every piece of me, up above

(Up above)

E
Love my mama and my papa

E A
Love my sister, can't stand the coppers up in their choppers

E
Oh, flying overhead, forty-nine dead

E
Singing, oh, my Lord, come carry me home

Oh, my Lord, come carry me home

A
I'm singing oh, my God, oh, my Lord

Oh, my God, oh, my Lord

Oh, my God, oh, my Lord

E
Oh, my Lord

Gbm A
And if I die too young for something I ain't done

E
Carry my name every day

Gbm
Oh, I'm sorry

A
Oh, I'm sorry

E
Freddie Gray

Gbm A E
But sleep easy like baby Jesus in a manger

Gbm A E
Oh, sleep easy like little Jesus, beautiful stranger

E
Oh, beautiful stranger

Gbm A E
If I die too young, let all that I've done be remembered

Gbm A E
And I'll sleep easy like baby Jesus in his manger

Gbm A E
And I'll sleep easy like little Jesus, safe from danger

Gbm A E
Carry onward like some songbird, beautiful stranger

Gbm A E
Carry onward like some songbird, beautiful stranger

E
Oh, beautiful stranger
