

K.Fløy - Make Me Fade

Tom: G

m [Intro] Bb Gm D
Bb Gm D

Bb Gm D
Don't think I've been this nervous with a cold drink

Bb
In my two hands, saying no thanks

Gm D
Like any way it goes cause I know things

They shouldn't have told me

Bb
Now I'm thinking what for

Gm D
Hanging by a sentence at the drug store

Bb
Barely even steady out the front door

Gm D
Hate my own shit, but I love yours

Fuck, I really love yours

Bb Gm D
7 in the afternoon, half asleep, count the cars

Bb Gm D
All I think about is you constantly, that's the hard part

Bb Gm D
Static on the line, I hear it all the time

Bb Gm D
But I'm quiet when you make me fade

Bb Gm D
Feel it coming back, watch it turn to black

Bb Gm D
But I'm brighter when you make me fade

Bb Gm D
You make me fade, you make me fade

Bb Gm D
You make me brighter when you make me fade

Bb Gm D
Tangled, found myself waking in the same clothes

Bb
Shaking from my temple to my ankles

Gm D
Sunny but I need another raincoat, waiting by a payphone

Bb Gm D
Finally I coughed up some awful information that I thought up

Bb
Well they think I've been messing with the wrong stuff

Gm D
Nah I've been messing with the right shit, yeah I fucking like it

Bb Gm D
Waiting for the call to come, who could say it was easy
Bb Gm D
Sad about the bad I've done, on my grave, please believe me

Bb Gm D
Static on the line, I hear it all the time

Bb Gm D
But I'm quiet when you make me fade

Bb Gm D
Feel it coming back, watch it turn to black

Bb Gm D
But I'm brighter when you make me fade

Bb Gm D
You make me fade, you make me fade

Bb Gm D
You make me brighter when you make me fade

(Bb Gm D)

(Bb Gm D)

Bb Gm
Swear I've been trying to reach you, I'm dying

D
You kill me why you keep your phone all on silent

Bb Gm
Recognize my role, I fucked up the timing

D
But you and I lately been acting like islands

Bb Gm
Make a girl wanna get stupid and violent

D
But silently I've been eyeing the horizon

Bb Gm
Patterns repeat, it shouldn't be surprising

D
Oh, you know you make me

Bb Gm D
You make me fade, you make me fade

Bb Gm D
You make me brighter when you make me fade

Bb Gm D
You make me fade, you make me fade

Bb Gm D
You make me brighter when you make me fade

Bb Gm D
Static on the line, I hear it all the time

Bb Gm D
But I'm quiet when you make me fade

Bb Gm D
Feel it coming back, watch it turn to black

Bb Gm D
But I'm brighter when you make me fade
