

# Khalid - Cold Blooded

Tom: C

<sup>F</sup>  
Cold blooded, <sup>Am G</sup> cold blooded <sup>Dm</sup>

<sup>F</sup>  
The way you've been treating me <sup>Am</sup> is getting out of hand <sup>G</sup>  
And you walk around like you're <sup>Dm</sup> so innocent <sup>F</sup>  
I gave you my heart and it <sup>Am</sup> melted in your arms <sup>G</sup>  
This isn't a place that I <sup>Dm</sup> belong

<sup>F</sup>  
I feel your fear <sup>Am</sup>  
Surrounded by your skin <sup>G</sup>  
You feel my heartbeat <sup>Dm</sup> vibrate so violent <sup>F</sup>  
Inside of your head <sup>Am</sup>  
I see it in your eyes <sup>G</sup>  
You're no good for me <sup>Dm</sup>  
And love is blind

<sup>F</sup>  
Ooh, and cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
You want what I'm giving up <sup>Dm</sup>  
But my love is not enough <sup>F</sup>  
Cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
And I can't feel my fingertips <sup>Dm</sup>  
But you feel better when we touch

<sup>F</sup>  
I lost my sight and you're <sup>Am</sup> leading me on <sup>G</sup>  
Is it 'cause you're used to guys always <sup>Dm</sup> doing you wrong? <sup>F</sup>  
Do you really love me? <sup>Am</sup>  
Or is it just revenge? <sup>G</sup>  
Lately you don't seem so <sup>Dm</sup> genuine

<sup>F</sup>  
I feel your fear <sup>Am</sup>  
Surrounded by your skin <sup>G</sup>  
You feel my heartbeat <sup>Dm</sup> vibrate so violent <sup>F</sup>  
Inside of your head <sup>Am</sup>

I see it in your eyes

<sup>G</sup>  
You're no good for me <sup>Dm</sup>

And love is blind

<sup>F</sup>  
Ooh, and cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
You want what I'm giving up <sup>Dm</sup>  
But my love is not enough <sup>F</sup>  
Cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
And I can't feel my fingertips <sup>Dm</sup>  
But you feel better when we touch <sup>F</sup>  
Hmmm <sup>Am</sup>  
Fill me up, keep me hot <sup>G</sup>  
Use me up of all I've got <sup>Dm</sup>

<sup>F</sup>  
I feel your fear <sup>Am</sup>  
Surrounded by your skin <sup>G</sup>  
You feel my heartbeat <sup>Dm</sup> vibrate so violent <sup>F</sup>  
Inside of your head <sup>Am</sup>  
I see it in your eyes <sup>G</sup>  
You're no good for me <sup>Dm</sup>  
And love is blind

<sup>F</sup>  
Ooh, and cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
You want what I'm giving up <sup>Dm</sup>  
But my love is not enough <sup>F</sup>  
Cold blooded, <sup>Am</sup> cold blooded <sup>G</sup>  
And I can't feel my fingertips <sup>Dm</sup>  
But you feel better when we touch

<sup>F</sup> <sup>Am</sup>  
Hmmm <sup>G</sup>  
Fill me up, keep me hot <sup>Dm</sup>  
Use me up of all I've got <sup>F</sup> <sup>Am</sup> <sup>G</sup> <sup>Dm</sup>  
Cold blooded, cold blooded <sup>F</sup> <sup>Am</sup> <sup>G</sup> <sup>Dm</sup>  
Cold blooded, cold blooded
