G

[Primeira Parte]

Got my headlights off, we're sittin' outside
 If you cry in my car, then we're here all night, ooh
 A couple blunts rolled and I got my windows down
 Shorty, it's been a while since you've been this high

[Pré-Refrão]

If you're waitin' on love, then you waitin' for a while
 If your neighbors wake up, then we gotta turn it down
 So you say I'm the type you like keepin' around
 You like keepin' around

[Refrão]

Late at night, eleven, we're cruisin'
 Lately, I've been watchin' your movements
 If I'm the only one that you're choosin'
 Am I your favorite drug you've been usin'?
 Late at night, eleven, we're crusin'
 Lately, I've been watchin' your movements
 If I'm the only one that you're choosin'
 Am I your favorite drug you've been usin'?
 [Segunda Parte]

21s sittin' on my M5 Yeah
 Ride around summer, all-wheel-drive, yeah
 Couple blunts in and I got my windows down
 Lookin' real nice in my passenger side

[Pré-Refrão]

If you're waitin' on love, then
 You waitin' for a while
 If your neighbors wake up
 Then we gotta turn it down
 So you say I'm the type you
