

Khalid - Keep Me

Tom: C

F G
Roses were your favorite flower

Am C
And I couldn't stand the scent

F G
But if it's what it takes to put a smile on your face

Am C
I guess I'll deal with it

F G
You hung with the popular kids

Am C
And I couldn't stand them

F G Am
But I sucked it up, because I wanted to be more than friends

F C
You should walk away with me

G
In your heart

Am
Keep me in your mind

F
You don't have to speak

C
Of our past, just

G Am
Keep me in your life

Am C
Singin' our favorite songs

F
But the funny thing is

G Am C
Every time we did, you'd always get the words wrong

F G
And I was your biggest fan

Am C
You should never forget it

F
I bet your new man

G
Doesn't love you like I did

Am
Does he love you like I did?

C
Does he love you like I did?

Nooooâ!

You should walk away with me

In your heart
