

Khalid - Lets Go

Tom: D

(com acordes na forma de C)

Capostraste na 2ª casa

Intro: C G D Em

Can you feel this energy?
This is the start of something great
We might... be a little late... hey
But at least we're on our way
You got too much time to waste
Focusing on what people say
They might not like that we've arrived
But we're here to stay

Leave your sorrow on the table
Pick up your worries and throw them out the window
You don't gotta let your friends know
There's so much trouble to get into

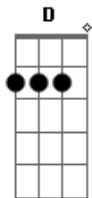

Let's go, let go
Let's go, let go

Let's go, let go

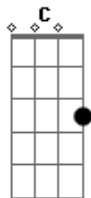

I got a blacked out Chevrolet
You don't have a destination
Traveling where the wind will take us
That might be from place to place
Oh shit, I just graduated
I don't have any obligations
So let's have a little fun
Go 'head and drop all the relations
Leave your sorrow on the table
Pick up your worries and throw them out the window
You don't gotta let your friends know
There's so much trouble to get into

Let's go, let go
Let's go, let go
So let's go, let's go
Let go, let go
