Tom: C
Intro: C G Em D

```
             C
Saturday nights
G                    Em
New berry cigarillos
               D
Swishers make my throat hurt
     C        G
Rolling OCB's on the side for me
       Em        D
Got 'em up and let 'em both burn
     C              G
Family feuds saying Mom's confused
           Em             D
I'm for sure she doesn't wanna learn
               C            G
But Daddy's gone, say he's never home
     Em            D
And wishing only makes it worse

                 C            G                   Em  D
I guess there's certain dreams that you gotta keep
              C         G               Em    D
'Cause they'll only know, what you let 'em see

                     C
All the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em   D
Know well like I do
                      C
And all the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em
Nowhere like I do
D          C  G  Em
Nowhere like I do
D          C  G  Em  D
Nowhere like I do

            C
Saturday nights
G                    Em
That gray Silverado
                  D
You drive it 'cause you have to
       C              G
Stay up working late at a job you hate
        Em             D
Fix your makeup in a dirty bathroom
          C              G
All my love in the dark clouds
Em              D
I know what you gotta do
          C              G
You got plans, wrapped in rubber bands
           Em                D
```

```
And that's the only thing you'll never lose
                 C            G                   Em  D
I guess there's certain dreams that you gotta keep
              C         G               Em    D
'Cause they'll only know, what you let 'em see

                     C
All the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em   D
Know well like I do
                      C
And all the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em
Nowhere like I do
D          C  G
Nowhere like I do

                 Em
'Cause I care
D          C  G
I care about you
                   Em
There's nowhere I'd rather be
     D            C  G
Than right here right now
    Em  D          C
I care ,    care about you
          G                Em  D
There's nowhere I'd rather be

                     C
All the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em   D
Know well like I do
                      C
And all the things that I know
G                    Em
That your parents don't
     D              C
They don't care like I do
G              Em
Nowhere like I do
D          C  G  Em
Nowhere like I
D          C  G  Em
Nowhere like I do
D          C  G  Em
Nowhere like I do
D          C  G  Em
Nowhere like I do
D          C  G  Em  D
Nowhere like I do
```
