

# Khalid - Winter

Tom: Gb

Gb Db  
 I lost my heart in the nighttime  
 Abm Ebm  
 She left me out in the cold  
 Gb Db  
 She left me broken and weary  
 Abm Ebm  
 Drunk off the lies she told  
 Gb Db  
 I fell in love in the morning  
 Abm Ebm  
 But when the day gets cold  
 Gb Db  
 I'm back to life in my lonely  
 Abm Ebm  
 City of El Paso

Gb Db  
 But the days get harder in November  
 Abm Ebm  
 Love grows colder in the winter  
 Gb Db  
 All the things you say, I'll remember  
 Abm Ebm  
 Promise that you'll keep my love with ya  
 Gb Db  
 Promise that you'll keep my love with ya  
 Abm Ebm  
 Promise that you'll keep my love with ya  
 Gb Db  
 Love grows colder in the winter  
 Abm Ebm  
 Promise that you'll keep my love with ya

Gb Db  
 I lost my mind when you left me  
 Abm Ebm  
 And I didn't have much of that  
 Gb Db  
 But you were so quick to reject me  
 Abm Ebm  
 So I'll take my time being sad  
 Gb Db  
 I fell so hard, I'll admit it  
 Abm Ebm  
 The feeling wasn't mutual  
 Gb Db  
 So I'm back to live on my lonely

Abm Ebm  
 In the city of El Paso

Gb Db  
 But the days get harder in November  
 Abm Ebm  
 Love grows colder in the winter  
 Gb Db  
 All the things you say, I'll remember  
 Abm Ebm  
 Promise that you'll keep my love with ya  
 Gb Db  
 Promise that you'll keep my love with ya  
 Abm Ebm  
 Promise that you'll keep my love with ya  
 Gb Db  
 Love grows colder in the winter  
 Abm Ebm  
 Promise that you'll keep my love with ya

Gb  
 Promise, promise, promise, promise  
 Db  
 Promise, promise, promise, promise  
 Abm Ebm  
 Promise, promise that you'll keep my love (keep my love)  
 Gb
