[Intro:] **Gbm Dbm**

(**Gbm Dbm**)
Órion daqui se vê em pé
Dizem até que Artemis o matou por amor
Mas eu não levo fé

(**Gbm Dbm**)
Longe eu posso ser ninguém
Abm Eb
Pois longe ser ninguém é ok
Abm Db7
Novo chão velha constelação
A Bm A
Dá saudade de ouvir falar
Bm A
Saudade de sentir

Bm Db7 Db7
Saudade de te encontrar

Gb Gb7 B Bm
Vai amanhecer

Gb Gb7
Aí que horas são?
B Bm

Aqui faz tanto frio

Gb Gb7

Aí é verão

B Bm

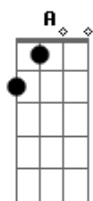

Vai amanhecer

Abm Db7 Db7

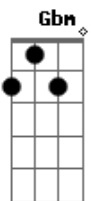

Ah...eu tinha um vidão

Lua crescente daqui se vê um d
d de down, não leva a mal, por favor
Aqui tá zero grau
Dá preguiça de explicar
Saudade de sentir
Saudade de voltar
