[Intro:] D G

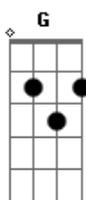

D D(#5) D D(#5) D
Direis ouvir estrelas
D(#5) C D
Certo perdeste o senso
D(#5) D D(#5) D
E eu vos direi, no entanto
D(#5) C Gm
Que, para ouvi-las, muita vez desperto

C D Bm Bb A
E abro as janelas, pálido de espanto

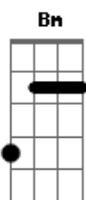

Enquanto conversamos
Cintila a Via Láctea
Como um pátio aberto
E ao vir do Sol, saudoso e em pranto
Inda as procuro pelo céu deserto

Bm Bm Bm
Que conversas com elas
Bm Gm C D A Bm Bm Abm G Em
O que te dizem quando estão contigo Ah!...
A7 D A Bm Bm Abm G
Amai para entendê-las Ah!...
Em A7 D
Pois só quem ama pode ouvir estrelas
