

Kid Rock - Born Free

tom:

[Verse 1]

Fast, on a rough road riding high, through the mountains climbing
 twisting, turning further from my home
 Young, like a new moon rising fierce, through the rain and lightning
 Wandering out into this great unknown
 And I dont want no one to cry, but tell em if I dont survive

[Chorus]

I was born free I was born free
 I was born free Born Free

[Verse 2]

Free, like a river raging strong, as the wind Im facing
 Chasing dreams and racing father time
 Deep like the grandest canyon wild like an untamed stallion
 If you cant see my heart you must be blind
 You can knock me down and watch me bleed but you cant keep no

chains on me

[Chorus]

And Im not good at long goodbyes but look down deep into my eyes
 I was born free Guitar Solo to and back to verse

[Verse 3]

Calm, facing danger lost, like an unknown stranger
 Grateful for my time with no regrets
 Close to my destination tired, frail and aching
 Waitin patiently for the sun to set
 And when its done believe that I will yell it from the mountain high (hold on)

[Chorus]

And I will vow to the shining seas and celebrate Gods grace on me

[Chorus]

And Im not good at long goodbyes but look down deep into my eyes
 I was born free Guitar Solo to and back to vers
