

Kid Rock - Collide

tom:
Capostrate na 2ª casa

You're no angel, I'm no saint, if we were
We wouldn't be in this place tonight

Lost and lonely, scared and confused
We both have a past, nothing to lose, tonight

Well it cuts like a knife these bad luck blues
We both got scars from the hell we been thru
Somebody's gotta win, somebody's gotta lose

So let's roll the dice, one more time

Take a chance on love again tonight

Risk it all, lay it on the line

Let the skeletons fight for life

Tonight, hold on tight, as we collide

()

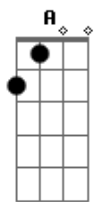

Reconnected, feelin' no pain

Seeking shelter like a spark in the rain

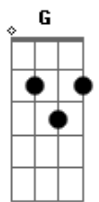

Tonight (ooh yeah)

Worn and weathered, scared to go home

We're here together, but still all alone
Tonight (uh uh yeah)

And there's no need to lie

We've both been abused

The love and the pain

The cocaine and booze, now

Most people don't, but some people do

So let's roll the dice, one more time

Take a chance on love again tonight

Risk it all, lay it on the line

Let the skeletons fight for life

Tonight, hold on tight, as we collide

()

So let's roll the dice, one more time

Take a chance on love again tonight

Risk it all, lay it on the line

Let the skeletons fight for life

Tonight, hold on tight, as we collide

And now play only
