

# Kiko Bairua - Falling

tom:  
**Db** (forma dos acordes no tom de **G** )  
 Capotraste na 6ª casa

**G** **D** **Em** **Am**  
 It's been 2 weeks since i'm out of the blue

**G**  
 We can keep it right  
**D** **Em** **Am**  
 We can keep it cool

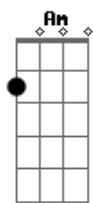

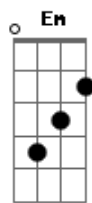

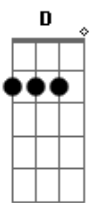

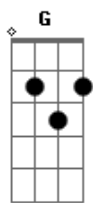

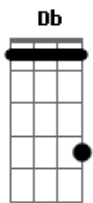

**G** **D** **Em**  
 Saw you walking down the street  
**Am**  
 Everything feels right to me  
**G** **D** **Em** **Am**  
 I just dream to feel you breathe

**G**  
 I'll put on a mask  
**D**  
 Then I'll put on a show  
**Em**  
 When I start performing  
**Am**  
 Will they stay or go?  
**G**  
 Everybody told me  
**D**  
 That your love is gold  
**Em** **Am**  
 I just keep on falling

**G**  
 Said your love is endless  
**D**  
 Thinking I believed  
**Em**  
 It was all defenceless  
**Am**  
 I was on my knees  
**G**  
 Everybody told me  
**D**  
 Think of your beliefs  
**Em** **Am**  
 I just keep on falling

**G** **D** **Em** **Am**  
 Can you point me in a crowded room?

## Acordes

**G** **D** **Em** **Am**  
 Every time I can I go look for you

**G**  
 When the time is right  
**D**  
 When the stars align  
**Em** **Am**  
 You tell me that we're gonna be alright  
**G** **D** **Em** **Am**  
 But no one can see that I'm high

**G**  
 I took of the mask  
**D**  
 Then i stoped the show  
**Em**  
 I finished performing  
**Am**  
 And the stage is cold  
**G**  
 Everybody told me  
**D**  
 That your love is gold  
**Em** **Am**  
 I just keep on falling

**G**  
 Said your love is endless  
**D**  
 Thinking I believed  
**Em**  
 Yes I was defenceless  
**Am**  
 I'm still on my knees

**G**  
 Everybody told me  
**D**  
 Think of your beliefs  
**Em** **Am**  
 I just keep on falling

( **G** **D** **Em** )

**Am**  
 Keep on falling  
**G** **D** **Em** **Am**  
 Mm-mm
