

Killswitch Engage - Just Barely Breathing Intro

Tom: Ab

album: alive or just breathing
tabbed by: dicer4
e-mail:
tunning: drop c (cgcfad)
release notes: ive seen other tabs for this song but for those
tabbes either the
Intro: was wrong or they were missing a couple notes, here is
how you play it,
Intro: clean

this part is hard to hear because it is covered up by the
drums

heavy distortion

there is the intro, im not surer about the rest of the song.

pm palm mute
h hammer on
p pull off

LYRICS:

Decend into hysteria
Chaos of mankind but who is listening to the voice of hatred
Tortured souls lost so completely lost
Weakened in the concept of decline, deception

Are we alive or just breathing
Don't close your eyes, see the images

The skies weep tonight, our bodies washed away
I am waiting for you, deliverance
The sun falls through the clouds
Hear my cry
