

Killswitch Engage - The End Of Heartache

```
tom:
Intro:
Seek me, call me
I'll be waiting
Seek me, call me
I'll be waiting
   This distance, this dissolution
   I cling to memories while falling
   Sleep brings release, and the hope of a new day
                         of being without you
   Waking the misery
    Surrender, I give in
                В
 Another moment is another eternity
[Refrão]
(Seek me) For comfort, (Call me) for solace
(I'll be waiting) For the end of my broken heart
(Seek me) Completion, (Call me) i'll be waiting
(I'll be waiting) For the end of my broken heart
You know me, you know me all too well
