

Kiloucura - Mulher da Minha Vida

tom: A

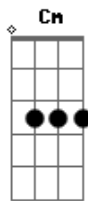

Ela... me ama, no chão, na cama
 O nosso amor e de invejar
 Ela... com ele não mata a sede
 Não faz amor deixa a desejar
 Quando eu sinto meu corpo carente
 Ela me liga fazendo proposta indecente

Não dá pra esconder que a gente se ama e se entrega
 Todo mundo vê que eu morro de amores por ela
 Ela é a mulher da minha vida (ô ô ô ô)
 Faz amor gostoso e diferente
 Ela é demais e muito linda (ô ô ô ô)
 Eu me apaixonei completamente
 Completamente
