**Bbm**  
Yeah, You think about the ones that love you

**Gb** **Bbm**  
And all I wanna do is live my life honestly

**Gb** **Bbm**  
I just wanna wake up and see your face next to me

**Gb** **Bbm**  
Every regret I have will go set free

**Ab**  
It will be good for me

**Db**  
Days like this

**Bbm**  
Yeah you think about the ones that went before you

**Db**

**Bbm**  
Have you ever seen the sky such a clear blue
