

Kimberly K - Eternity

tom: C

I wanna live for eternity C G

In a song that was written by you Dm F

I wanna feel the intensity C G

Would you say that you feel for me too Dm F

Baby, I see every day, every night C G

All the things go wrong F

?Cause I've been alone Fm

I can't sleep, give me a sight, tell me you're mine C G

All we need is love F

But I'm so tired to search Fm

I've walked down the street Going ahead, no place to go Dm Am

You're not here So I complain I told you so Dm Am

You don't exist, That is the first the I should know Dm F

I've got so lost, But when you come I won't be closed

I wanna live for eternity C G

In a song that was written by you Dm F

I wanna feel the intensity C G

Would you say that you feel for me too Dm F

I've been here, every day, every night F

Trynna make things right Fm

Guess you're my kinda guy C G

I believe you'll never lie telling you're mine F

If it isn't true Fm

Yeah, I do believe in you

I don't know If you still want me like before Dm Am

But indeed feel like I'll love you ever more Dm Am

You're not me although you're living in my song Dm F

This is it, Maybe I'm just doing it wrong

I wanna live for eternity C G

In a song that was written by you Dm F

I wanna feel the intensity C G

Would you say that you feel for me too Dm F

Would you say Dm Em

Would you lie F G

Would you stay Dm Em

Would you write F G

Maybe you'll live for eternity C G

In a song that was written by me Dm Fm
