But I need you

It's not like I want to, but I do
Gb
No baby I don't want to be yours
Bbm
cause I know you still dream about other girls
B Db
But I love you I'm sorry but I do
Gb
I know it's been kinda shady lately
Bbm
But in the night I was your single daisy
B
You've always been my one man
Db
Do you want me cause love or just cause you can
Gb

I'm sorry I always leave kisses on your neck
Bbm
I don't need you to save me in my own fucking wreck
B
But I can't let go
Db
And I know I know I know
That I should let go
(Gb Bbm B Db)
Gb
tell me when you kissed those other girls
Bbm
Remembered when I was your whole world
B
i lost you once I could do it again
Db
But the way you looked at me is stitched in my head
Gb
Remember when I wanted to die
Bbm
And you ran to my house in the middle of the night
B
i waited for you with tears in my eyes
Db
You said everything will be alright
So why am I sleeping alone, tonight?
