

# King Crimson - Easy Money

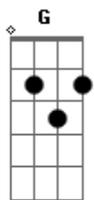

tom:  
 Em  
 Em  
 Em  
 Your admirers on the street  
 G  
 Gotta hoot and stamp their feet  
 Em G  
 In the heat from your physique  
 Em A  
 As you twinkle by in moccasin sneakers  
 Em  
 And I thought my heart would break  
 G  
 When you doubled up at the stake  
 Em G  
 With your fingers all a-shake  
 Em A7  
 You could never tell a winner from a snake  
 C B C A  
 Easy money  
 Em  
 With your figure and your face  
 G  
 Strutting out at every race  
 Em G

Throw a glass around the place  
 Em A  
 Show the colour of your crimson suspenders  
 Em  
 We would take the money home  
 G  
 Sit around the family throne  
 Em G  
 My old dog could chew his bone  
 Em A7  
 For two weeks we could appease the Almighty  
 C B C A  
 Easy money  
 Em  
 Got no truck with the la-di-da  
 G  
 Keep my bread in an old fruit jar  
 Em G  
 Drive you out in a motor-car  
 Em A7  
 Getting fat on your lucky star  
 A  
 Just making  
 C B C A  
 Easy money
