

King Crimson - Walking On Air

Tom: E Intro: You don't have to hurry Verso: You don't have to try You don't have a care Close your eyes and look at me you're walkin on the air I'll be stading by your side In between the deep blue sea Bridge: E And the sheltering sky If we find no words to say you're walkin on the air To the rhythm of the waves Coro: Then will both surrender there you're walkin on the air and the worries... Coro: you're walkin on the air
