[Primeira Parte]
  I ain't got no time, no
   'Cause when this day is done
  I still got shit to run
  I could make it for you
  'Cause you're so beautiful
  I'd rather drink you up
[Refrão]
                   C Dm
  Honey, on your knees when you look at me
                             C Dm
  I'm dressed like a fucking queen and you're begging,
"please"
  I rule with the velvet tongue
  And my dress undone
                    C Dm
  And I'll get you lost but I'm having fun
  Bb
Holy, holy, holy,
