

King Princess - Tough On Myself

tom: G

Nobody told me Dbm
 To sit down and shut up Abm
 And take this shit slowly Gb
 I'm so bad with attention Dbm
 So my good intentions Abm
 Get bad when you hold me Gb

I get too tough on myself Dbm Abm Gb
 Sitting alone, making fun of myself Gb Dbm Abm Gb

You want that young love Dbm
 Like passing me notes, hon' Abm
 That shit that you dream of Gb
 I'm just sitting at home Dbm
 Smoking joints like it's my job Abm
 'Cause that's what my dream was Gb

I get too tough on myself Dbm Abm Gb
 Sitting alone, making fun of myself Gb Dbm Abm Gb
 And is it so wrong to just want someone else? Dbm
 (I was thinking you and I could get together) Abm

(I was thinking maybe you could do me better) Gb
 And is it so wrong to just want someone else? Dbm
 (I was thinking you and I could get together) Abm
 (I was thinking maybe you could do me better) Gb

Tough on myself Dbm Abm
 I get too Gb
 I get too tough on myself Dbm Abm Gb
 I get too tough on myself Dbm Abm Gb

I get too tough on myself Dbm
 (I was thinking you and I could get together) Abm
 (I was thinking maybe you could do me better) Gb
 Sitting alone making fun of myself Dbm
 (I was thinking you and I could get together) Abm
 (I was thinking maybe you could do me better) Gb
 And is it so wrong to just want someone else? Dbm
 (I was thinking you and I could get together) Abm
 (I was thinking maybe you could do me better) Gb
