

Kingdom Culture Worship - Steady Love

tom:
Intro: D D D D
D D D

[Primeira Parte]

If these songs I sing have just become
Routine
Just pretty words but words that
I don't mean
Forgive me Father, wash my worship clean
You want a steady love

Turnaround
(D D D)

[Segunda Parte]

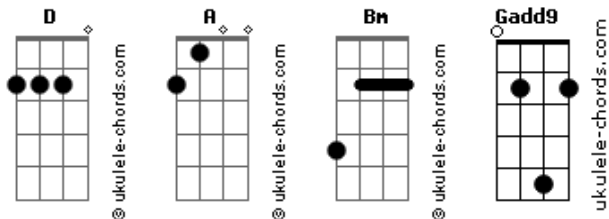

Would I sing the same
Without the stage and lights?
Can I truly call it praise if it needs hype?
Test my heart until it's purified
You want a steady love

Turnaround
(D D D)

[Refrão]

Keep me burning
You want a steady love

Acordes

Keep me burning
Help me to never stop
Every morning
Noon and night as a living sacrifice
Keep me burning
You want a steady love

Turnaround
(D D D)
(D D D)

[Terceira Parte]

A love that loves on ordinary days
A love that's always willing to obey
A love that burns in all I do and say
You want a steady love

Turnaround
(D D D G2)
(D D D G2)

[Ponte 1]

I'll never never stop, never never stop
Wanting to know You
Living to love You Jesus
So keep my heart burning
Keep my heart burning
